

Penalty of Success

The Classic "Y", the magazine of the M.G. Y-type Register, is to become bi-monthly to ease the strain on overworked club officials. Much of this workload is a direct result of the four-years-old Register having attracted the owners of 709 cars

— 343 YA, 140 YB, 151 YT and 3 of unidentified saloons and specials. Perhaps these attractive little cars are now recovering from the years they spent as the poor relations.

There are now 709 MG Y-types on the Y-type Register.
